Ms Clay explained some funds have gone to Grade 8 grad, Mrs Park has spoken to teachers about the teachers wishlist, some funds have gone towards music, athletics, literacy and stem. • The SCC has in the past taken the teacher wish list and then allotted some of the SCC funds towards that. • There are restrictions on what the SCC funds can be used for - some things have to go through school's Block Budget • Karm asked how we prioritize the wishlist? We have tried to balance it across the divisions.
